Mearns & Co.'s Broom Factory in the East End is an industry that had outgrown its less pretentious quarters in Wall street, necessitating the erection of their present commodious building. The firm employs about twenty hands and the product is turned out by the latest and most improved machinery. Their goods are in such demand that they have orders way ahead of their capacity.

The Corps of Cadets of the Virginia Military Institute is holding its Commencement week exercises, extending from June 22d to 27th, at the institute at Lexington. Mr. Lorraine Hannan Phister, son of Captain and Mrs. C. M. Phister of this city, will be among the graduates who will finish with high honors at the Commencement. Mr. Phister will be one of the Marshals at the final German on June 25th.

Mr. T. Hendrickson, the stockman from Ripley, was here yesterday looking at Mason's fine bred horses.

During the recent water famine at Cincinnati high-class mechanics were at a premium. At one of the pumping stations of the three special mechanics selected for the delicate and intricate work, William O. Hoops of this city was chosen as one of the number by Civil Engineer Hill. When it comes to the test you will find the Maysville man capable and willing, and always on the spot to help out in an emergency.

Mr. M. A. Wallingford, who paid \$1,400 for half of the stock of D. L. Plummer at Tollesboro, Mr. Plummer later making an assignment and settling with his creditors at 75 cents on the dollar, has bought the Plummer interest in the remaining stock for \$1,200, and he now owns the whole outfit.

Rev. M. A. Wallingford was in the city yesterday, en route to his home at Tollesboro. Mr. Wallingford had been at Cynthiana, attending a family reunion. All the members of the family now living were present save one, and this is the first time in twenty-six years that so many of the family had been together.

## Dark Blue Serge Suit

Owing to their popularity, suits of this material (we mean the best) have materially advanced in price; in fact, are now hard to procure at any price. In anticipation of the demand for them we bought perhaps more than any other clothing house in the state, and buying them early secured them for much less than they are now worth. We have today probably 75 suits, single and double-breasted; some cut for long men, some for short and stout men and a good many, what clothiers term, regular, meaning the average size and weight man. We sold them at \$18, \$20, \$22.50. From now until the last suit is gone we give you choice of the lot for **\$15 Cash**. Just in, another invoice of the celebrated R. & W. White and Fancy Vests.

### KILLED INSTANTLY

**Taylor Fristoe Meets Death on C. and O. Yesterday Forenoon**

Two killed within as many weeks  
Is a pretty fair local record for those who bannt the C. and O. viaduct.

At 9:45 yesterday morning Taylor Fristoe was on the tall viaduct which crosses the lower grade.

Yard engine No. 13 was hacking down to the water tank and evidently struck him, though none of the employees saw him, and didn't know of the occurrence until informed by persons who witnessed it.

His right arm was crushed, there were injuries on the back of the head and on the forehead, and death was instantaneous.

Coroner Orr held an inquest, the verdict being accidental death.

Mr. Fristoe was a native of this city, 59 years of age, and had been nearly all his life an employee of the James H. Hall Plow Company.

His wife died about five years ago, but he leaves six children, nearly all grown.

The funeral will occur tomorrow afternoon at 1 o'clock from Second M. E. Church, South, Rev. O. P. Pillow and Rev. Carey E. Morgan officiating.

The remains will be interred in the Maysville Cemetery.

## DEAR HOME-COMER!

No doubt you will find lots of changes in Maysville since you have left. If you have been absent from our little city over five years you will find a great many changes, and the next five years will bring more changes for the better than have been made in the last forty years. Since you have lived here "we three boys" are new citizens of this town. We have made this Drygoods Store the largest and best of its kind in the country in proportion to the size of the town. Now, without patents, without power or purpose to restrict trade, with no element of the trust power, HOW DID THIS STORE GROW?

**BY MAKING ITSELF NECESSARY.**  
A public utility is "that or nothing." One has small choice in telegraph companies, railroad companies, water companies or gas companies; but as to stores, no one is obliged to come to Merz Bros. to get a supply of any necessity.

We think our store IS BEST; we know our varieties ARE LARGER; we believe we buy our goods a BIT CHEAPER; but you have to come here to find that out.

Today the largest number of discriminating people deal at Merz Bros. A scrutiny of the daily attendance at the several stores shows that most people come to Merz Bros.

There is not any idea of self-glory in stating these plain, big facts to you, most welcome Home-Comers.

MAYSVILLE—ON THE OHIO, nestling in a valley as picturesque as the most favored of the Hudson or the Rhine, is an ideal spot for those who desire a home in the midst of scenic beauty unsurpassed in all the world.

Watch Maysville Grow!

It is the capital of Mason county, located in the famous Bluegrass Region, where the farms are highly productive of all the staples, while it is the home of the celebrated White Hurley Tobacco, and the center of the District which alone produces it. The city has right now a population of 10,000, and the number is increasing every few days. There are good schools, public and private; Churches of all denominations; the finest system of water-works in the United States—with three active distilleries to forestall a possible famine. We have an electric street railway, gas and electric lights; manufacturing industries so diversified that "dull times" have comparatively little effect; telegraphic and telephone service to all points—and more to come. There are two daily passenger trains each way between New York and Cincinnati, and five each way daily between the city and Cincinnati over the Chesapeake and Ohio Railway, and four daily trains each way over the L. and N. to and from all points in Central Kentucky—so if you don't like the old town after a fair trial there are ample facilities to get away. There are Lodges of all sorts of Masons and Oddfellows, the fellows and little fellows, Redmen, Knights of Pythias, P. O. S. A.'s, Junior Order, Macabees, Eagles, Buffaloes, Elks, Knights of St. John, Grand Army Boys, Confederate Veterans, Sons of Rest, with two members of the Legislature—and if you want any others we'll get 'em. We have two daily newspapers, a free public library with accomplished lady librarians—and as a further means of disseminating news there are innumerable sewing circles and card clubs among the Church members. These embrace a few of Maysville's present attractions; others will be added during the current summer, notably Home-Coming Week, the Fourth of July and brick streets.

If you like the prospect, come and live with us; we will do you good—say the "do" softly please! Now, just watch Maysville grow!

DAY—BEFORE—YESTERDAY, the C. H. and D. bought the C. and O.; yesterday, it didn't; today, it did it again; tomorrow, it isn't so! The crop of liars is bigger than the output of blackberries.

In doling out credit for the success of Home-Coming, Mr. ANDREW M. JANUARY must not be overlooked. As Secretary to the General Committee he was "General" and the other fellows just plain "Committee." More than one unique feature of the occasion was due to Mr. JANUARY's resourceful brain; and what a D—uley shame it was that he didn't get no dinner that day!

From the success that burglars have had in robbing Postoffices throughout Kentucky, Ohio and Indiana during the past year or two, it looks like Uncle Sam needed a new crop of Civil Service Detectives.

It is generally conceded that THE LEDGER covered the late Home-Coming pretty thoroughly, especially as to the record of visitors. None of 'em got away—saving a handfull who "registered" where the regular Registration Book wasn't.

UNLESS THE LEDGER is very much mistaken in its judgment of men, the Street Paving Committee, the Mayor and other authorities have done a wise thing in employing Mr. E. M. HUNT to look after the city's interest in the construction of brick streets.

AFTER all, while the Committees worked faithfully and intelligently to make Home-Coming the splendid success that it was, the generous citizens who subscribed the money were the ones who made success possible. What will you have, gentlemen?—and ladies.

DURING a recent session of the United States District Court at Pittsburgh, Judge BUFFINGTON presiding, a number of persons were naturalized—an election being one of the reasons for the ceremony—and among the number were these—

MOSSEH ZEMISZKOVICS, FRANCISZEK WOJCIECHOSKY, JONAS SZUHODOLINSZKOI, JOSEF SCHLOEGELRUBER, IVAN SREDJANOVIC, STANISLAW SZYMOWICZ, PANAGOTIS ROSKINOTPOULOS, BLAZEJ RADZISZEWSKI, FELICE PIETROAULO, STEPHEN ONAREJCZO, ANTONIO NIESPODZIANSKI, PITOT MYSLYWIECZ.

If ever there is any restriction on the class of two-legged cattle that are now being clothed with all the rights of American citizens, the people of smaller cities and towns and the rural districts must take a hand in the matter. Congress is too cowardly; the politicians have an eye to the votes, and the people of the big cities are too busy to pay the least attention to such matters.

SPRINGDALE.

Raspberries are plentiful.  
Wheat is being cut and is said to be fine.  
Mr. and Mrs. John Walker of Washington visited relatives here the past week.  
Mr. Allen Hughes came down from Portsmouth Tuesday and will visit relatives here and in Lewis county a few weeks.  
Mrs. Mary Smith of Chattanooga, Tenn., is at South Manchester, called by the serious illness of her mother, Mrs. Mary Wilson.  
Mrs. Louise Kimbal and little daughter, Grace, are pleasant Home-Comers at the home of Mrs. Kimbal's parents, Mr. and Mrs. John Otto.  
Mr. Floyd P. Tully was here Thursday en route to his home in Lewis county, after a two week's visit with his sister, Mrs. Nanette Emmons of Hamilton, O.  
Those of our neighbors and friends who allowed the slight rain of Wednesday morning to keep them from Maysville's celebration of Home-Coming missed a rare and delightful treat, and one that no Mason countian that was physically able should have failed to attend. No one suffered because of the lovely June shower, as ample shelter was provided. The entertainment was fine and such as we country people do not often have an opportunity to enjoy. The hospitality of the citizens was unbounded and their doors were wide open to the throng of visitors. It was indeed a joyous occasion and one that

will be ever pleasantly remembered by the thousands of happy people that spent the day at Beautiful Beechwood.

To the many Home-Comers from the arid regions of the West, our own green-carpeted Kentucky is a Garden of Eden, made so because the sun shines bright and the frequent showers fall. Often on our days of public gatherings the showers exceed the sunshine, but it would not be "Old Kentucky" were it otherwise. So prepare a rainy day hat, coat, skirt and shoes and be ready to celebrate Fourth of July at Ruggles Campground or some other place as becomes real "Anglo Norman Kentuckians."

Mrs. Trumbo, wife of Major D. S. Trumbo, died Thursday at Carlisle at an advanced age.

MUSE.  
Mr. Boyd K. Muse's work will not be so heavy hereafter. A new Assistant Mail Carrier arrived this morning at his home in West Third street.

## SOCIAL EVENTS

Mrs. Alice Reeder Conkey of Kansas City gave an informal reception last evening in her apartments at the Central Hotel to old friends, and that includes almost the entire citizenship. It was one of the most delightful and enjoyable occasions of Home-Coming Week. Gladness and happiness made the program of the entire evening. Refreshments were served.

## HIDDEN DANGERS.

Nature Gives Timely Warnings That No Maysville Citizen Can Afford to Ignore.

Danger signal No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.  
Danger signal No. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the coming of dropsy, diabetes or Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Maysville proof:  
James D. Tolle, clerk at Wood Bros' meat market, and living at 117 Short street, Maysville, Ky., says:

"I was troubled a great deal for some time with constant heavy pain in the small of my back and over my kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent, and there was a scalding burning sensation at times. Hearing of Doan's Kidney Pills I began using them and finding great benefit, continued the treatment until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.  
Remember the name—Doan's—and take no substitute.
